

„The Future of the European Union, especially the role of e-solutions”

International Conference

02.05.2018- 04.05.2018 Miskolc

Dear Guests!

First of all, as Rector of University of Miskolc, I would like to welcome all the participants with the biggest pleasure.

The clear fact, that this conference is organized proves once again how important it is for us to consolidate our cooperation with our partner universities and institutions of research from our country and from abroad as well. Our relationship has great traditions, successes and memories as well, that's why is so important to give the chance and possibility to make other common programmes, conferences.

I would like to send my personal respect and thanks as well to all of You and thank each of You for attending our Conference and bringing your expertise to our gathering. Let this international conference provide a good opportunity for us to gain and transfer knowledge.

The organizing committee also hopes that all participants will enjoy hospitality of our university and will take pleasure in visiting our town.

I wish a very successful and enjoyable time for all of You.

András TORMA
Rector

Welcome to the Conference!

It's a special honor for us to welcome you in our beautiful town - which is located at the foot of the Bükk mountains- to the International Conference on Law, Public Administration on the them "The Future of the European Union, especially the role of e-solutions".

It is our distinct pleasure to announce that, this conference is organized in partnership with: Petru Maior University (Tirgu Mures, Romania), University of Versaille (France), University of Salento (Italy), Institute of Public Science - the MTA-MAB Public Works Committee - Public Law Research Center (Miskolc, Hungary) and the "Pro Iure Association" (Tirgu Mures, Romania).

We are really proud of attracting the attention of internationally recognized scientists. We hope that the Conference will offer you a valuable opportunity for exchanging views and creating fruitful networking.

We are also delighted to be welcoming you at what promises to be a highly scientific, collaborative, educational and successful Conference.

We wish you a great and memorable stay and time in our city and university during the conference and we are looking forward to everybody with great respect to come back in the future.
